Biddle, Uhls and Newborn are Appointed.

PARIS EXPOSITION BILL

Killed By the House on Third Reading, 56 to 52.

Toneka Kan Feb 21 - (Special ) - The state board of charitles this afternoon made the following appointments: Superintendent Topeka insane asylum, J. C. Biddle, Emporia; Osawatomie, M. S. Uhls, Paola: Winfield imbecile asylum, C. S. Newborn, altamont.

The Paris exposition bill was killed in the house on third reading this afternoon by

Following is the text of the bill that was killed:

"Section 1. That for the purpose of exhibiting and making a display of corn and other products of the state of Kaneas at the Paris exposition of 1900, three commissioners are hereby constituted, one of whom shall be a woman, to be designated as The Eansas Commissioners for the Paris Exposition,' who shall be appointed by the governor of the state of Kansas not more than ten days after the passage of this act, and whose appointment shall be subject to ratification by the senate.

"Sec. 2. Each of said commissioners shall be required to give a bond to the state in the sum of \$19,000, with sufficient sureties to be approved by the governor, for the proper performance of his or her du-

Sec. 1. Each of said commissioners may be removed at any time for good cause by the governor, who shall have power to fill

"Sec. 4. Each of said commissioners appointed under this act shall be entitled to receive as compensation the sum of five dollars per day and expenses for each day

"Sec. 5. The commissioners are authorized and directed to assume and exercise all such executive powers and functions as may be necessary to secure a complete and creditable display of corn and other products of the state of Kansus at the

"Sec. 6. The suld commissioners shall select from among themselves a president and secretary, and shall make a report of their proceedings and expenditures from time to time to the governor, and at any time upon his written request, to be transmitted to the legislature, together with such suggestions as he may deem important regarding provisions for a complete ant regarding provisions for a complete 52, ratifying the action of the "oters of ceeds: and creditable representation of the state D county in changing the name of the "In at the Paris exposition of 1800.

this act, the sum of \$50,000, or so much thereof as may be necessary, is hereby appropriated, and the state treasurer is directed to pay the same from the revenue fund from time to time on the requisition of the president and secretary of said commission, and approved by the governor, and accompanied by estimates of the exso drawn is to be applied; provided, that at the termination of the exposition tha proceeds of all property sold which was built, made or acquired by reason of this appropriation shall be turned into the Sinte tressury and constitute a part of the One Who Knows and Loves It Des-

Topeka, Kun., Feb. 22.-(Special.)-Governor Stanley sent the following letter to the state board of charities yesterday; Topeka, Kam., Feb. 21, 1893.

The Board of Charities: Gentlemen-The new administration will plexion and management of your boarl. I pfinacle of tower; ten rooms first floor, bring a change both in the political comhave selected the new members of the board because of my confidence in their floor. character and efficiency.

The law provides that the subordinars positions in the charitable institutions of the state shall be filled by parties of your selection. I propose to leave the respon aibility of these selections where the law places it, but if agreeable to you, would be glad at any time to confer with you both as to your appointees and the management of the several institutions under

If changes are made in the employes of these institutions. I desire to make the

First-That in making your appointments henesty and efficiency in the applicata will be the first consideration. Second-That all other things being equal

you give preference to the surviving soldiers and sailors of the civil war.

Third-That you conduct the several institutions under your charge with the strictest economy consistent with efficiency. Fourth-That a prompt discharge follow every instance of dishonesty, immorally or drunkenness upon the part of your em-

tirely the management of the charitable insillutions of the state, hoping for you the and trusting that your management may ple. Respectfully. W. E. STANLIOF, tiovernor.

### FOR TERRITORIAL AUDITOR At \$1500 a Year Senator Gandy In-

troduces a Bill. Guthrie, O. T., Feb. 21.-(Special)-Sen- which has been approved by the atterney ator Gandy today introduced a bill in the general, in which he holds that the secreequinoit creating the office of territorial tary of the treasury has authority to admit council bill 185, legalizing the purchase of lations of the existing government allowing real estate herotofore ade by the city of Shawnee; also council bill 186, prohibiting the sale of bonors on the line of Oklahoma

and Indian territories. In the house this morning Mr. Wood introduced house bill \$5, to provide for the multenance and annual encampments of the militia of the territory of Oktaborna Mr. Smith introduced house bill 186. theriging school district number 42 Kay county, to hold a spenal district meeting for the purpose of re-locating its mines house site.

ALL VERY WELL TO ADAPT

Old Creeds to New Times, But Beware of New Creeds.

Baltimore, Feb. 22.-The approved transtation of the pope's letter to Cardinal Gibbons, giving the papal views on "Americanism." heretofore covered briefly in the life of the late Father Hecker, founder of the Society of Paulists, a distinctly American order, says that the rule of life laid down for Catholics by the Vatican council is not of such nature that it cannot accommodate itself to the exigencies of various times and places. The church has at all times been what St. Paul said of himself: 'I became all things to all men that I might save all.' In regard to ways of living, the church has been accus-tomed to so yield that, the divine priniples of morals being kept intact, she has never neglected to accommodate herecifto the character and genius of the nations which she embraces. But in this presen matter there is great danger and manifest opposition to Catholic doctrine and disci-pline and in the cimion of the lovers of novelty that allowance should be granted trend of his own proper activity. Such there told to these what thou must do.' preachers of God's word, the directors reasoning is evidently faulty. No one should wish to depart from the infallible insching authority of the church. The insection, since by that fact they walk in perfection, since by that fact they walk in perfection is a since by the consciences, the teachers of God's word, the directors of God's word, the directo confounding of license with liberty, the passion for duscissing and pouring consumed right to hold whatever opinions one forth in print to the world, have so come unmindful both of conscience and

of duty," The pope says that while he believes there was no thought of wrong or guile in the opinions of Father Hecker, yet they difficulty of locating or determining the the vows, let them pursue such a course. axation of property belonging to buildly certainly merit some degree of suspicion, and loan associations; council bill 111, an and he proceeds to point out at length first-class. The brilliant complexions of women in the more exclusive circles of New York society are not explained by the theory that associates beauty and idleness. In fact, many leaders of the world of fashion are hard workers. Yet they keep their good looks even when they are old. How do they manage it? THE MISSES BELL, of 78 Fifth Avenue, New York, themselves connected with some of the most noted and honored families in the metropolis, They have prepared for the use of wamen in general, five preparations for improving the complexion and the hair,
